D שטח Area	114 רשיון License
98 עונה Season	Jose' P. מנהל שטח Supervisor

תאור Description	ריבוע Square	מס' לוקוס / קיר Wall/Locus No.
Big Day!! 22 coins found!!	D	42
loose soil under pavers was swept.		
B.409 has glass + bone + pottery indicators in		
this soil, while B.410 is the soil ~~and~~		
that fell from under the pavers into		
our hole ∴ locus 42 (semi-contaminated).		
In soil under pavers 22 coins are found		
close to the surface (almost without digging).		
Most of the day is spent tracking these		
Coins down.		
we return to locus 41 so that we	D	41
may reach bedrock and get a full picture		
of strata from our 'probe square'.
